Hotel Ambassador in Kathmandu

This is a one day guided sightseeing tour of the Kathmandu Valley visiting three out of the seven World Heritage Sites. You will start off by visiting Patan Durbar Square then drive to the Buddhist stupa at Boudhanath followed by the last stop of the day at the Hindu shrine of Pashupatinath. The tour is likely to finish around 4pm and the rest of the day is free to further explore Kathmandu.

Three major towns are located in the valley, Kathmandu, Patan and Bhaktapur, each having a great artistic and architectural tradition. Kathmandu is the capital and the largest city in the country. Patan, the second largest is separated from Kathmandu by a river. Bhaktapur, the third largest, is towards the eastern end of the valley and its relative isolation is reflected in its slower pace and more distinctly mediaeval atmosphere.

In the Valley the landscape is dramatically sculpted by the contours of the paddy fields. The towns and villages are alive with the colours of farm produce, ranging from pyramids of golden grain to the vivid reds of chilli peppers laid out on mats to dry in the sun. In the streets and towns there is a constant bustle of activity, especially in the bazaars and markets where the farmers sell their vegetables and fruit.

For their latest advice please take a look at their [Safety & Security section under Air Travel](#).

There have been a number of recent air accidents in Nepal and in December 2013 The European Union banned all airlines based in Nepal from flying in the 28-nation bloc under the latest changes to a list of unsafe carriers. For more information on Nepal's air safety profile take a look at [Aviation Safety Network](#).
